Subject Engaging a cart for removing refuse in Mulbagal Town Municipality --

Sir,

In forwarding herewith the report of the President, Mulbagal Municipal Council received with his No CR 36/45-46 dated 9/10/46 on the above subject, I have the honour to state that one conservancy cart is engaged on a monthly hire of Rs 14/- to remove refuse from the Town The local auditors, who audited the accounts of Mulbagal Municipality for the year 37-38 have objected to the engagement of the cart without obtaining sanction of Government The President reports that the cart is being engaged for many years past and that it is very necessary to engage it in the interests of the sanitation of the town This question was discussed by the Municipal Council at their meeting held on 31/7/45 and the Council have resolved that sanction of Government might be obtained for engaging a cart to remove refuse on a monthly hire of Rs 14/-

Necessary provision to meet this item of expenditure is stated to have been made in the budget estimates of the Municipality for the current year also. In the circumstances, I request you to kindly obtain sanction of Government to engage a conservancy cart on a monthly hire of Rs 14/- for removing refuse matter from the town, as resolved by the Council at their meeting held on 31/7/45 This will not only regularise the action taken by the Municipality but it will also answer the objection raised in Audit.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,

While auditing the accounts of the MLA for 1937-38 a note on the point has been seen to have been sent to the President, Sutlej Tea Estate, Sutlej Dooars 1937 which although over eight years have elapsed, no action was taken by the MLA on the above objection. For the first time a reference has been made to the fact in the letter dated 5th October 1946 to waive the audit objection and to ratify the action of the MLA from the year 1937-38 up to and by 1946-47 but as this clear-cut simple matter for seven years action was not taken in the above return recommends sanction to the arrangement up to the end of 1946-47
